Our wedding activities

GRAND ENTRANCE

Get ready to start the party by making your Grand Entrance to your reception! The DJ will introduce the wedding party and the newlyweds.

SHOE GAME

The newlyweds will be back to back on the dance floor. The DJ will ask a variety of fun, crazy and entertaining questions to the newlyweds and will include the audience in the fun too!

PHOTO DASH

The newlyweds will race to each table with the photographer and "photobomb" each table before the song ends. This is a great way to get a picture with everyone that attended your wedding.

BOUQUET & GARTER TOSS

Get ready to slingshot or toss your bouquet/garter into the crowd. The DJ will countdown and get the crowd pumped!

MONEY DANCE

The newlyweds get a chance to get some cash and to dance. The money dance is a great way to start your honeymoon fund.

ANNIVERSARY DANCE

We invite all married couples to the dance floor to share a dance with the newlyweds. We will politely ask couples (with the exception of the bride & groom) who've been married less than 1 year, then 5 years, then 10 years, etc. to please leave the dance floor.

Why hire a professional?

A good wedding DJ is an investment in the success of your wedding. The majority of the success of your wedding reception will be due to the entertainment you choose. A Professional DJ is so much more than a DJ.
