Our wedding activities

GRAND ENTRANCE

Get ready to start the party by making your Grand Entrance to your reception! The DJ will introduce the wedding party and the newlyweds.

SHOE GAME

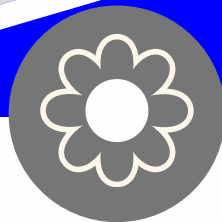

The newlyweds will be back to back on the dance floor. The DJ will ask a variety of fun, crazy and entertaining questions to the newlyweds and will include the audience in the fun too!

PHOTO DASH

The newlyweds will race to each table with the photographer and "photobomb" each table before the song ends. This is a great way to get a picture with everyone that attended your wedding.

BOUQUET & GARTER TOSS

Garter Toss Get ready to slingshot or toss your bouquet/garter into the crowd. The DJ will countdown and get the crowd pumped!

MONEY DANCE

The newlyweds get a chance to get some cash and to dance. The money dance is a great way to start your honeymoon fund.

ANNIVERSARY DANCE

We invite all married couples to the dance floor to share a dance with the newlyweds. We will politely ask couples (with the exception of the bride & groom) who've been married less than 1 year, then 5 years, then 10 years, etc. to please leave the dance floor.

We offer top of line professional lighting and audio equipment. Your event will have a one of a kind aesthetic when you go with DJ Ultralight.

Why hire a professional?

A good wedding DJ is an investment in the success of your wedding. The majority of the success of your wedding reception will be due to the entertainment you choose. A Professional DJ is so much more than a DJ.

- Our DJs will act professionally at all times
- When you are booked with us, the quoted price will never increase even if our prices do
- All calls or emails will be returned promptly the same or following day
- You will receive our best performance possible
- Your DJ will arrive on time and be ready to perform at the time reserved
- Your personal and event information will never be distributed to future clients for our benefit
- We will not have banners or advertisements at your event
- We guarantee we will perform at your event unless you cancel our services

Daniel Sosa Santana

CO-OWNER & DJ

DJ Ultralight has one DJ. This gives DJ Ultralight an opportunity to provide every single event our best performance since we only focus on that event.
